Aetna Advantage Plans for individuals, families and the self-employed are underwritten by Aetna Life Insurance Company (Aetna) directly and/or through an out-of-state blanket trust.

In some states, individuals may qualify as a business group of one and may be eligible for guaranteed issue, small group health plans.

They say that nothing is more important than your health.

And they're right. That's what makes health insurance such an essential part of your life — even if you're not on an employer's group insurance plan. In fact, *especially* if you're not on a group plan, you've got to take charge of your health... and your health insurance needs.

At Aetna, we offer a variety of quality Advantage individual health insurance plans for Colorado. Count on us to guide you through the process and help you choose the right plan for your personal needs.

Why Aetna?

When you choose Aetna as your health insurance provider, you're gaining a lot of advantages. Among them:

Easy to understand. Yes, insurance can be simple! We provide you with straightforward language and easy-to-understand benefits.

Easy to choose. We'll help you select from plans designed to fit your personal situation. Aetna's nationwide provider network offers you a vast selection of physicians and hospitals.

Easy to afford. Since we offer so many benefit package options, you can choose how much to spend in premiums versus out-of-pocket expenses.

Easy to manage. Use our easy-to-use Web-based tools to get valuable health and benefits-related information, quickly find Aetna network physicians in your area, and manage your account — right online!

More reasons to like Aetna

So why else should you choose an Aetna health insurance plan? Here are more good reasons:

- You can visit any doctor or hospital you choose. Your out-of-pocket costs will be lower in Aetna's network of participating physicians and hospitals.
- You can visit your doctor's office as often as you like.
- You don't need a doctor's referral to see a specialist.
- There's no waiting period to enjoy preventive care.
- Your children's immunizations are covered.
- There's no deductible for well-women exams when you visit a network provider.

About HSAs...

A Health Savings Account, or HSA, is a personal account that lets you pay for qualified medical expenses with tax-advantaged funds. You or an eligible family member make contributions to your HSA tax-free, and those dollars earn interest tax-free. Then, when you make withdrawals from your account to pay for qualified health care expenses, they're tax-free, too.

To establish a Health Savings Account...

First enroll in an Aetna HSA-compatible High Deductible Health Plan. Then request HSA enrollment materials by calling 1-800-694-3258 or visiting www.aetnaindividualhsa.com to view and download the materials.

Why Choose an Aetna HealthFund HSA?

- No set-up fees
- No monthly administration fee
- No withdrawal forms required
- Convenient access to HSA funds via debit card or checkbook
- Track HSA activity through Aetna Navigator™

The HSA Investment Account allows you a number of different ways to invest for the future, complementing the interest earning HSA Cash Account.

Looking for a lower cost plan?

Our Preventative and Hospital Care plans include:

- preventive care
- annual GYN exams (annual Pap/Mammogram)
- well-child care (includes immunizations)
- routine physical exams
- Coverage for: inpatient hospital care, outpatient surgery, skilled nursing or home health care in lieu of a hospital stay.

Add Dental PPO Max

With the Aetna Advantage Dental PPO Max insurance plan, you can obtain services from either a participating or non-participating dentist. *Participating dentists have agreed to provide services at a negotiated rate for both covered services, as well as non-covered services such as cosmetic tooth whitening and orthodontic care, so you generally pay less out-of-pocket.* You also have the flexibility to visit a dentist who does not participate in Aetna's network, though you will not benefit from negotiated fees. Dental is offered only if medical coverage is obtained

Want to cover your children only?

All Aetna Advantage plans are available for children only, which means you can enroll your child even if no other family member enrolls. Coverage includes immunizations, well-child visits, emergency room and dental preventive services (if dental is selected).

Note: when an HSA Compatible plan is selected for child only enrollment, an HSA account is not available for the child.

How to select a health insurance plan that fits your needs

Perhaps you've just left an employer's group plan. Or you're looking for an option other than COBRA. Or you're not currently insured. Or maybe you've just received another big rate increase from another insurer and you're looking for something more affordable.

Whatever your situation, at Aetna, we're here to help. Let us offer a few tips to help you choose the right plan for your unique situation and priorities. This chart may be a good starting point for you...

IF YOU...

Are looking for an affordable policy with low monthly payments...

Use only basic health care services and want to keep your monthly payments low...

Don't want to pay a lot for frequent doctor visits for you and the kids...

Want a balance of low monthly payments and quality coverage...

Want to cap the amount you'll spend on total medical expenses each year...

Want a plan that works with a tax-advantaged Health Savings Account (see page 3 for an explanation of HSAs)...

Think that robust coverage is more important than the lowest possible cost...

Is your doctor in the Aetna network?

Visit www.aetna.com/docfind/custom/advplans. Or call **1-800-694-3258** and ask for a directory of providers.

A few things to keep in mind

- Generally speaking, the lower your “premiums,” or monthly payments, the higher your “deductible,” which is the amount you pay out of pocket before the plan begins paying for expenses. (Lower premiums also mean a higher “copay,” which is the amount you pay out-of-pocket at doctor visits, hospital stays, etc.)
- The lower your deductible (some plans have no deductible at all, which means they begin paying immediately), the higher your monthly premiums will be.
- You’ll pay less by using “in-network” doctors, hospitals, pharmacies and other health care providers who participate in Aetna’s vast nationwide network than by using “out-of-network” doctors.
- Visit www.planforyourhealth.com for an in-depth list of terms in this brochure and what they mean.

Things you need to know to apply

To qualify for an Aetna Advantage Plan, you must be:

- Under age 64 3/4 (If applying as a couple, both you and your spouse must be under 64 3/4.)
- Under age 25 for dependent children
- Legal residents in a state with products offered by the Aetna Advantage Plans
- Legal U.S. residents for at least 6 continuous months.

Your premium payments

Your premium payments are guaranteed not to increase for 12 months from your effective date. After that, your premiums may change. Final rates are subject to underwriting review.

Your coverage

Your coverage remains in effect as long as you pay the required premium charges on time, and as long as you maintain membership eligibility. Coverage will be terminated if you become ineligible due to any of the following circumstances:

- Non-payment of premiums
- Becoming a resident of a state or location in which Aetna Advantage plans are not available.
- Obtaining duplicate coverage
- For other reasons permissible by law

Medical underwriting requirements

The Aetna Advantage Plans are not guaranteed issue plans and require medical

underwriting. Some individuals may be federally eligible under the Health Insurance Portability Accountability Act (HIPAA) through CoverColorado for a special guaranteed issue plan under Colorado laws and regulations.

All applicants, enrolling spouses and dependents are subject to medical underwriting to determine eligibility and appropriate premium rate level.

We offer various premium rate levels based on the known and predicted medical risk factors of each applicant.

Levels of coverage and enrollment

- You may be enrolled in your selected plan at the standard premium charge.
- *You may be enrolled in your selected plan at a higher rate, based on medical findings.*
- You may be declined coverage based on significant medical risk factors.

Duplicate coverage

If you are currently covered by another carrier, you must agree to discontinue the other coverage before or on the effective date of the Aetna Advantage Plan. Do not cancel your current insurance until you are notified that you have been accepted for coverage.

Pre-existing conditions

During the first 12 months following your effective date of coverage, no coverage will be provided for the treatment of a pre-existing condition unless you have creditable prior coverage.

A pre-existing condition is an illness or injury for which medical advice or treatment was recommended or received within 6 months preceding the effective date of coverage.

All You Need to Know About Easy-Pay

Simple Automatic Payments via Electronic Funds Transfer (EFT)

Registration: Complete the payment section of the Aetna Advantage Plans application. Select the EFT option to approve the automatic withdrawal of your initial premium and all subsequent premium payments.

Invoices: You will not receive a paper invoice when you are enrolled in EFT. Payments will appear on your bank statement as "Aetna Autodebit Coverage."

Terminating: To terminate EFT, you will need to provide Aetna with 10 days written notice prior to the date your next EFT payment will be deducted. Without this written notice, your bank account may be debited for the next month's premium. You will then need to contact Aetna to have funds placed back in the checking account.

Refunds: To process an EFT refund (placing money back in member's checking account), Aetna will require at least 5 days after the withdrawal was made to ensure valid payment.

Rejected transactions: If the EFT payment rejects for any reason, Aetna will automatically terminate the EFT and send you a letter saying you will receive paper invoices. Processing time to reinstate EFT will be 30–60 days. If an EFT payment is rejected, you will need to pay that payment by paper check or credit card.

Timing: Payments for Cycle 1 accounts (1st of the month effective date) will be taken from your bank account between the 3rd and the 10th of the month the premium is due. Payments for Cycle 2 accounts (15th of the month effective date) will be taken from your bank account between the 18th and 23rd of the month the premium is due.
