# What's a PPO plan?

With a PPO (preferred provider organization) health care plan, you'll pay a lower share of your medical expenses when you use doctors or hospitals that participate in our PPO network. Your share of expenses includes:

- Deductible: Typically this is the amount you have to pay each calendar year for services that your health care plan covers before the plan begins paying. Please note that some plans may not have a deductible or may cover certain services before the deductible is met.
- **Coinsurance:** After your annual deductible is met, this is the percentage of the cost for which you will be responsible for services that your plan covers.

The amount of your deductible and coinsurance depends on which PPO plan you choose. A PPO plan will also pay a portion of the cost for services you may receive from non-participating (non-network) providers, but your share of the cost can be significantly higher.

# **Prescription drug coverage**

The cost of prescription drugs can be staggering and is one of the leading causes of rising health care costs. To help control your share of the costs, many of our plans include different options for prescription drug coverage.

As you'll see on the following pages, some of our plans include Comprehensive prescription drug coverage (generic and brand-names) and some plans only include generics. There is even a No Prescription Drug Coverage option with our RightPlan PPO 40. The choice is yours.

Even if you choose a plan that provides comprehensive prescription drug coverage, it's still a good idea to consider using generic drugs for the best value. Generic drugs have the same active ingredients as their brand-name equivalents, but normally cost less.

- · It's inexpensive just pennies a day

#### Incurred medical care ratio

As required by law, we are advising you that Anthem Blue Cross and its affiliated companies incurred medical care ratio for 2007 was 80.43 percent. This ratio was calculated after provider discounts were applied.

#### **Waiting periods**

There is a specific six-month waiting period for coverage of any condition, disease or ailment for which medical advice or treatment was recommended or received within six months preceding the effective date of coverage. If you apply for coverage within 63 days of terminating your membership with another "creditable" health care plan, then you can use your prior coverage for credit toward the six-month waiting period. Anthem Blue Cross will credit the time you were enrolled on the previous plan. Consult with your Anthem Blue Cross agent or representative if you have a question about the underwriting process.

#### Medical underwriting requirement

We believe that the cost of our plans should be consistent with your expected health care needs and risk factors. That's why Anthem Blue Cross offers various levels of coverage. To determine individual medical risk factors, all applications are subject to medical underwriting. Depending on the results of the underwriting review, a number of things may happen:

- · You may be offered coverage at the standard premium charge, or
- · You may be offered the plan you selected at a higher rate, or
- · You may not qualify for the plan listed in this brochure, or
- · You may be offered an alternate plan.

If you have a significant medical condition and do not qualify for the plan you've chosen from this brochure or if you have discontinued group coverage, please contact your Anthem Blue Cross representative for information regarding other Individual coverage options.

#### No-obligation review period

After you enroll in a plan offered by Anthem Blue Cross, you will receive a Policy/EOC booklet that explains the exact terms and conditions of coverage, including the plan's exclusions and limitations. You will have 10 days to examine your plan's features. During that time, if you are not fully satisfied, you may decline by returning your Policy/EOC booklet along with a letter notifying us that you wish to discontinue coverage. Policy/EOC booklets are available for you to examine prior to enrolling. Ask your agent or Anthem Blue Cross.

This brochure provides a brief summary of benefits and services.

If there is any difference between this brochure and the Policy, the Policy will prevail.
