Lumenos[®] Health Incentive Account Plan

A man and a woman are sitting on a stone ledge, viewed from behind. They are looking out over a large, calm pond surrounded by dense green trees and bushes. The scene is peaceful and scenic. The text is overlaid on a semi-transparent green box in the upper portion of the image.

The person most responsible for your health? You. The plan most supportive of your health? Lumenos HIA, a consumer-driven health plan from Anthem Blue Cross and Blue Shield.

Think of “health plan” and what comes to mind? Most likely, coverage that helps pay the cost of medical care when you’re sick or injured.

We’re out to change your thinking.

With the Lumenos Health Incentive Account (HIA) Plan—an innovative consumer-driven health plan for individuals and families from Anthem Blue Cross and Blue Shield—protection against medical expenses is only part of the story.

What makes the Lumenos HIA Plan different? Plan features specially designed to improve and maintain your health and give you enhanced control over your health care dollars. Take a look:

- **Preventive care covered.** When you use our network providers, nationally recommended preventive care services are paid for by Anthem, at zero cost to you.*
- **A Health Incentive Account that empowers you.** You'll have the opportunity to earn health care dollars that you manage and control.
- **Exclusive health tools and personalized services.** You'll have access to a wealth of ways to improve and maintain your health—all at no charge, including:
 - An online Health Assessment designed to help you measure your overall health.
 - A Personal Health Coach Program, Smoking Cessation Program, and Weight Management Program.
 - 24-Hour Nurse Advice Line when you need a quick answer to a routine health question or advice on a medical issue.
 - An online health site with tools and information, including network provider listings, hospital quality ratings, prescription drug costs, wellness articles, and much more.
- **Built-in value through Anthem discounts.** You choose your own doctor and you never need referrals—but when you use our network providers, you can save money because you'll receive Anthem's negotiated discounts on services and prescriptions.
- **Flexibility.** Choices and options are available to help tailor your Lumenos HIA Plan to your needs and budget—and you control a portion of your health care dollars for even more flexibility.
- **Ways to improve your health and your financial health.** You can receive dollars for your Health Incentive Account designed to help reduce your out-of-pocket health expenses, while improving your health and well-being.

*Some plans have 80% coverage for preventive care. Please see page 8 for details.

Now when you think of “health plan,” think Lumenos HIA. Because a health plan you can feel good about is one that helps you feel good.

How the Lumenos HIA Plan works

Preventive Care

Preventive care to maintain your health.

- 100% coverage (for most plans) for nationally recommended preventive care services with no deduction from your health account and no out-of-pocket costs when you use network providers.

Health Incentive Account to pay for medical care and prescriptions.

- Earn Healthy Rewards into your health account and use these dollars to pay for covered health expenses.
- Unused dollars rollover from year to year so your account can keep growing to help meet future health care costs.
- The money you spend from your health account on covered expenses applies to your plan deductible, which must be satisfied before traditional coverage begins.

Then, use Traditional Health Coverage, if needed.

- If there is no money in your health account, you must pay any remaining deductible out-of-pocket.

This payment is called a “bridge” amount because it bridges the health account and traditional health coverage components of the plan.

- Then, the plan pays the majority of the cost for additional covered services. You are responsible for any applicable coinsurance amounts.
- Once the out-of-pocket maximum is reached (which includes the plan deductible and any coinsurance payments), the plan pays 100% of covered expenses.

The Lumenos HIA Plan: powerful incentives for your health

If you select the Lumenos HIA option, you'll have the opportunity to earn Healthy Rewards — Anthem contributions to your health account for doing the right things for your health.

Healthy rewards

Anthem will contribute dollars into your Health Incentive Account for taking any of the following steps to improve and maintain your health:

- Completing or updating a **Health Assessment**, our online tool designed to help measure your overall health. The health information you provide is secure and strictly confidential. Earn \$50 per family, per year.
- Enrolling in and graduating from the **Personal Health Coach** program, a one-on-one support program intended to help you proactively manage your health. Available if you qualify. Earn \$100 for enrolling and \$100 for graduating.
- Completing our **Smoking Cessation Program**, designed to help you lead a tobacco-free lifestyle. Participation is open to you and your covered family members age 18 or older, and includes counseling support and tools, including nicotine replacement therapy coverage. You and your covered spouse can each earn \$50 for completing the program (one reward per lifetime).
- Completing our **Weight Management Program**, a personalized phone course with a team of counselors (a registered dietitian and health educator) designed to help you adopt lifestyle changes necessary to lose weight and maintain weight loss. Participation is open to you and your covered family members age 18 and older who have a Body Mass Index (BMI) of 25 or higher. You and your covered spouse can each earn \$50 for completing the program (one reward per lifetime).

The dollars you earn for your account can be applied to your Bridge amount, the limited out-of-pocket responsibility you need to satisfy before the traditional health coverage kicks in.

Still more Lumenos HIA plan benefits

Save on prescription drugs—including mail order

Prescription medications—even through mail order—are covered when the traditional health plan coverage kicks in (less any applicable coinsurance payments). But that doesn't mean you have to wait to save money:

- Thanks to our buying power, Anthem is able to negotiate significant discounts on all types of prescription medicines. Just show your Anthem ID card at pharmacies in our network—that's over 95% of pharmacies nationwide. Your card lets them know your prescription should receive the Anthem discount rate.
- The cost of the prescription can be paid first from your Health Incentive Account, if you have money in the account. If you don't have money in your account, you still benefit from Anthem's discount rate.
- To further lower your cost, visit [anthem.com](https://www.anthem.com) (it's easy to register once you're approved in the plan) to learn about generics or other low-cost alternatives that could save you money.
- You can also potentially save on prescriptions by ordering a 60- or 90-day supply through mail order. Once you're approved in the plan, you can download a mail order form from www.anthem.com.

Get plenty of online support and helpful tools

Once you're approved in the plan, simply register at anthem.com for instant access to a wealth of online content designed to help keep you healthy and save money.
