# Aetna makes it easy for you to choose a health insurance plan

In some states, the self-employed can purchase a guaranteed issue group health insurance plan under small group reform.

## They say that nothing is more important than your health.

They're right. And that's what makes health insurance such an essential part of your life — even if you're not on an employer's group insurance plan. In fact, especially if you're not on a group plan, you need to take charge of your health...and your health insurance needs.

At Aetna, we're here to help. Perhaps you've just left a group plan. Or you're looking for an option other than COBRA.

# Choose the Aetna Advantage plan that best fits your needs

We offer a variety of Aetna Advantage health coverage plans in Nevada. Your Aetna Advantage plan choices are:

## Nevada Managed Choice Open Access Plans

With the Nevada Managed Choice OA health insurance plans, you can visit any doctor or hospital you choose. (Your out-of-pocket costs will be lower if you select a provider from Aetna's wide network of participating physicians and hospitals.) In addition, there are no claim forms to fill out when you visit a network provider, and no referrals are required to see a specialist.

## Managed Choice Open Access Value Plan

In addition to the plan features described above, the Nevada Managed Choice Value insurance plan offers you one more: lower premiums. (That's the "Value" part.) In exchange for lower premiums, your co-insurance responsibility will increase slightly.

## Preventative and Hospital Care Plan

The Preventative and Hospital Care Plan is ideal for individuals that are primarily looking for affordability when selecting a coverage option. This plan provides inpatient hospital coverage coupled with limited benefits for outpatient surgery, skilled nursing or home health care charges in lieu of hospitalization. In addition, these plans provide coverage for preventive care including annual GYN exam, well child care and physical exam every 24 months. The deductible on the Preventative and Hospital Care Plan applies to most covered expenses.

NOTE: This plan provides limited benefits only and does not constitute a comprehensive health insurance plan. As such, it may not cover all the expenses associated with your health care needs.

## Managed Choice Open Access High Deductible Plans

With the Nevada Managed Choice OA High Deductible health insurance plans, you'll pay lower premiums in exchange for higher annual deductibles — at least \$3,000 for individuals and \$6,000 for families. A key advantage of this plan is that it can be paired with a Health Savings Account (HSA), a special account that lets you pay for qualified medical expenses with tax-advantaged funds.

What does "tax-advantaged" mean? It means you or an eligible family member can make contributions to your HSA tax-free. Those dollars earn interest tax-free. And when you make withdrawals to pay for qualified health care expenses, they're tax-free, too.

An HSA has other advantages as well. Among them:

- You own your HSA, so even if you change jobs or health insurance plans, the money in your account is yours to keep.
- Any money remaining in your HSA at the end of the year rolls over to the next year. You don't lose it.
- You can withdraw money directly from your HSA to cover qualified expenses. Account holders have convenient access to HSA funds with an Aetna Visa Debit Card or checkbook. Or, you can allow the account to grow over time and use it to help pay for future health-related expenses — like long-term care insurance premiums, COBRA premiums and certain retiree expenses.

## How do I establish a Health Savings Account?

For Health Savings Account Enrollment materials, after enrolling in an Aetna HSA-compatible High Deductible Health Plan, please call 1-800-MY-Health (1-800-694-3258) or visit Aetna's website at [www.aetnaindividualhsa.com](http://www.aetnaindividualhsa.com) to view and download the materials.

## First Dollar Managed Choice Open Access Plan

The First Dollar Managed Choice OA plan gives you freedom from deductibles. Choose any participating provider or hospital from Aetna's wide network and pay only a nominal co-pay for sick and well provider visits and **no deductible** for medical services. Benefits are covered at 100 percent when you reach the co-insurance maximum for sick and preventive care. A pharmacy deductible will apply.

## Child Only Coverage

All of the Advantage plans in Nevada are available for Child only. That is, you may choose to enroll your child even if no other family member enrolls. Coverage includes immunizations, well child visits, emergency room and dental preventive services (if dental is selected).

Note that if one of the HSA plans is selected for Child only enrollment, an HSA account is not available for the child.

## Dental PPO Max Plan

With the Aetna Advantage Dental PPO Max insurance plan, you can obtain services from either a participating or non-participating dentist. Participating dentists have agreed to provide services at a negotiated rate for both covered services, **as well as non-covered services such as cosmetic tooth whitening and orthodontic care**, so you generally pay less out-of-pocket. You also have the flexibility to visit a dentist who does not participate in Aetna's network, though you will not benefit from negotiated fees.

# So, what's going on in *your* life?

Life changes. Very quickly. And as it does, so do your priorities. What was all fine and good yesterday may not be appropriate today.

The circumstances of your life can determine the type of health coverage you need. That's why Aetna Advantage Plans for Individuals have been designed to fit people in specific places in life.

# An at-a-glance comparison of Aetna's plans

Which one of our plans is right for you? A lot depends on your priorities. Do you want to keep your payments, or "premiums," as low as possible? Or are you willing to pay a little more each month to help minimize your out-of-pocket costs for services?

This chart gives you a quick, at-a-glance look at all of Aetna's Advantage Plans for individuals in Nevada. It will help you determine your priorities and compare three key features across all the plans:

- Your payments, or premiums
- What you can expect to pay out of your pocket for services and treatment (as opposed to what the plan pays for)
- Your annual deductible — that is, how much you'll pay out of pocket before the plan begins covering your expenses

To qualify for an Aetna Advantage Plan, you must be:

- Under age 64 3/4 (If applying as a couple, both you and your spouse must be under 64 3/4.)
- Under age 19 for dependent children
- Legal U.S. residents for at least 6 continuous months.

## Medical underwriting requirements

- The Aetna Advantage Plans are not guaranteed issue plans and require medical underwriting. Some individuals can be federally eligible under the Health Insurance Portability Accountability Act (HIPAA) for a special guaranteed issue plan under Nevada laws and regulations.
- All applicants, enrolling spouses and dependents are subject to medical underwriting to determine eligibility and appropriate level of coverage.
- We offer various levels of coverage based on the known and predicted medical risk factors of each applicant.

## Levels of coverage and enrollment

- You may be enrolled in your selected plan at the standard premium charge.
- **You may be enrolled in your selected plan at a higher premium, based on medical findings.**
- You may be declined coverage based on significant medical risk factors.

## Duplicate coverage

- If you are currently covered by another carrier, you must agree to discontinue the other coverage prior to or on the effective date of the Aetna Advantage Plan.

## Pre-existing conditions

- During the first 12 months following your effective date of coverage, no coverage will be provided for the treatment of a pre-existing condition unless you have creditable prior coverage.
- A pre-existing condition is an illness or injury for which medical advice or treatment was recommended or received within 6 months preceding the effective date of coverage.

## Terms of coverage

Your premium rates are guaranteed not to increase for 12 months from your effective date! Final rates are subject to underwriting review.

Coverage remains in effect as long as you pay the required premium charges on time, and as long as you maintain membership eligibility. Coverage will be terminated if you become ineligible due to any of the following circumstances:

- Non-payment of premiums
- Residency requirements
- Obtaining duplicate coverage
- For other reasons permissible by law

## All You Need to Know About Easy-Pay

### Simple Automatic Payments via Electronic Funds Transfer (EFT)

#### Simple registration

- Complete the payment section of the Aetna Advantage Plans application form. Initial payment can be made with EFT. Your payment will be deducted upon approval of the application form.

#### Invoices for EFT Accounts

- You will not receive a paper invoice when you are enrolled in EFT. Payments will appear on your bank statement as "Aetna Autodebit Coverage."

#### Terminating EFT

- To terminate EFT, you will need to provide Aetna with 10 days written notice prior to the date your next EFT payment will be deducted.
- Without this written notice, your bank account may be debited for the next month's premium. You will then need to contact Aetna to have funds placed back in the checking account.

#### Refunds on EFT Accounts

- To process an EFT refund (placing money back in member's checking account), Aetna will require at least 5 days after the withdrawal was made to ensure valid payment.

#### Rejected EFT Transactions

- If the EFT payment rejects for any reason, Aetna will automatically terminate the EFT and send you a letter saying you will receive paper invoices. Processing time to reinstate EFT will be 30–60 days.
- If an EFT payment is rejected, you will need to pay that payment by paper check or credit card.

#### Timing for EFT

- Payments for Cycle 1 accounts (1st of the month effective date) will be taken from your bank account between the 3rd and the 10th of the month the premium is due.
- Payments for Cycle 2 account (15th of the month effective date) will be taken from your bank account between the 18th and 23rd of the month the premium is due.
